**MEET OUR FACILITATOR:**

Sara McKee, MSW, LCSW., is a graduate of Troy University and The University of Alabama. She has been working clinically with patients and families, within various health care and human service settings, for greater than a decade. Additionally, she serves as a faculty member with Troy University's MSW Program and teaches various clinical practice courses and practicum. Sara is an outstanding educator and mentor, and she receives exceptional reviews from learners nationally. Her research and practice interests include: health care, mental health and health care leadership. She has authored and/or co-authored multiple staff and community healthcare education publications and frequently facilitates corporate staff development programs within health care and human services organizations across the country
